Significant changes in the state of affairs

Since the preceding year, global financial markets experienced and may continue to experience significant volatility resulting from the spread of a novel coronavirus known as COVID-19. The outbreak of COVID-19 has resulted in travel and border restrictions, quarantines, supply chain disruptions, lower consumer demand and general market uncertainty. The effects of COVID-19 continues and may continue to adversely affect the global economy, the economies of certain nations and individual issuers, all of which have potentially impacted the Funds' performance. Given the inherent uncertainties, it is not practicable at this time to determine what impact COVID-19 will have on the Fund or to provide a quantitative estimate of any future impact.

Other than the above, there were no other significant events during the half-year ended 31 December 2020.

Rounding of amounts to the nearest thousand dollars

The Fund is an entity of a kind referred to in ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191 issued by the Australian Securities and Investments Commission (ASIC) relating to the "rounding off" of amounts in the Directors' report. Amounts in the Directors' report have been rounded to the nearest thousand dollars in accordance with that ASIC Corporations Instrument, unless otherwise indicated.

1 General information

These interim financial statements cover PIMCO Dynamic Bond Fund (the “Fund”) as an individual entity. The Fund is an Australian registered managed investment scheme which was constituted on 28 February 2014 and will terminate on 27 February 2094, unless terminated earlier in accordance with the provisions of the Fund’s Constitution.

The Responsible Entity of the Fund is PIMCO Australia Management Limited (ABN 37 611 709 507) (AFSL 487505) (the “Responsible Entity”). The Responsible Entity’s registered office is Level 19, 5 Martin Place, Sydney, NSW 2000.

The Fund invests in the PIMCO Fund: Global Investors Series plc - Dynamic Bond Fund (the “Underlying Fund”) in accordance with the Fund’s Product Disclosure Statement and the provisions of the Fund’s constitution. The Underlying Fund invests in a diversified portfolio of fixed income instruments of varying maturities.

On 5 May 2016, a new tax regime applying to Managed Investment Trusts (“MITs”) was established under the *Tax Laws Amendment (New Tax System for Managed Investment Trusts) Act 2016*. The Attribution Managed Investment Trust (“AMIT”) regime allows MITs that meet certain requirements to make an irrevocable choice to be an AMIT. In order to allow the Fund to elect into the AMIT tax regime effective 1 July 2017, the Fund’s Constitution was amended. The Responsible Entity is therefore no longer contractually obligated to pay distributions. The units in the Fund remained classified as a financial liability due to the different features between the two open classes of units.

The interim financial statements were authorised for issue by the directors on the date the Directors’ declaration was signed. The directors of the Responsible Entity have the power to amend and reissue the interim financial statements.

2 Basis of preparation

These interim financial statements have been prepared in accordance with Australian Accounting Standards AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 *Interim Financial Reporting*.

These interim financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these interim financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2020 and any public announcements made in respect of the Fund during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

Changes in significant accounting policy

The accounting policies applied in these interim financial statements are the same as those of the previous financial year.

3 Fair value measurement

The Fund measures and recognises financial assets and liabilities at fair value through profit or loss on a recurring basis. The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13 requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

(a) Fair value in an active market (level 1)

The fair value of financial assets and liabilities traded in active markets are based on quoted market prices at the close of trading at the end of the reporting period without any deduction for estimated future selling costs.

For the majority of its investments, the Fund relies on information provided by independent pricing services for the valuation of its investments.

3 Fair value measurement (continued)

(a) Fair value in an active market (level 1) (continued)

The Fund utilises the Price Source Agreement (“PSA prices”) for its fair value inputs for both quoted financial assets and financial liabilities.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm’s length basis.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

(b) Recognised fair value measurements

The table below presents the Fund’s financial assets and liabilities measured and recognised at fair value as at 31 December 2020 and 30 June 2020.

As at 31 December 2020	Level 1 \$’000	Level 2 \$’000	Level 3 \$’000	Total \$’000
Financial assets at fair value through profit or loss:				
Unit trusts*	34,498	-	-	34,498
Total financial assets at fair value through profit or loss	34,498	-	-	34,498
As at 30 June 2020	Level 1 \$’000	Level 2 \$’000	Level 3 \$’000	Total \$’000
Financial assets at fair value through profit or loss:				
Unit trusts*	41,513	-	-	41,513
Total financial assets at fair value through profit or loss	41,513	-	-	41,513

*The Underlying Fund calculates a daily net asset value (NAV) and applications and redemptions are transacted using the NAV. While prices are quoted on the Irish Stock Exchange, applications and redemptions are made through the Underlying Fund and are not transacted through an exchange.

(c) Transfer between levels

Management’s policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

There were no transfers between levels in the fair value hierarchy at the end of the reporting period.

(d) Financial instruments not carried at fair value

The carrying value of receivables and payables are assumed to approximate their fair values.

Net assets attributable to unit holders’ carrying value differ from its fair value (deemed to be redemption price for individual units) due to differences in valuation inputs. This difference is not material in the current or prior reporting period.

4 Net gains/(losses) on financial instruments at fair value through profit or loss

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right in the underlying assets of the Fund.

There are two open classes of units at 31 December 2020 and 2019. Each unit within the same class has the same rights as all other units within that class. Each unit class has a different management fee rate.

Units are redeemed on demand at the unit holder's option. However, holders of these instruments typically retain them for the medium to long term. As such, the amount expected to be settled within twelve months after the end of the reporting period cannot be reliably determined.

11 Events occurring after the reporting period

The effects of COVID-19 continues and may continue to adversely affect the global economy, the economies of certain nations and individual issuers, all of which may impact the Funds' performance. Given the inherent uncertainties, it is not practicable at this time to determine what impact COVID-19 will have on the Fund or to provide a quantitative estimate of any future impact.

Independent auditor's review report to the unitholders of PIMCO Dynamic Bond Fund

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of PIMCO Dynamic Bond Fund (the Registered Scheme) which comprises the condensed statement of financial position as at 31 December 2020, the condensed statement of comprehensive income, condensed statement of changes in equity and condensed statement of cash flows for the half-year ended on that date, significant accounting policies and explanatory notes and the directors of the Responsible Entity' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of PIMCO Dynamic Bond Fund does not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Registered Scheme's financial position as at 31 December 2020 and of its performance for the half-year ended on that date
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the half-year financial report* section of our report.

We are independent of the Registered Scheme in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibility of management for the half-year financial report

Management is responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as management determines is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

Auditor's responsibility for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Registered Scheme's financial position as at 31 December 2020 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
